EDUCATION DEPARTMENT.

MECHANICAL ENGINEERING SCHOOL, BANGALORE.

NOTICE.

1. Notice is hereby given that sealed tenders will be received by the Superintendent, Mechanical Engineering School, Bangalore, till Monday the 26th June 1916, 12 noon, for the supply of the undermentioned articles required for the use of the Workshop attached to the school during the official year 1916-17.

2. An approximate estimate of quantities required is given against each item in the list. (Quantities are not guaranteed.)

3. Tenders should be submitted in the following form showing the rates at which the different items specified in the list would be supplied.

4. Each tender must be accompanied by a deposit of Rs. 100, as earnest money, and be superscribed "Tenders for the supply of materials for use of the Workshops at the Mechanical Engineering School, Bangalore, for the period from 1st July 1916 to 30th June 1917".

5. The final acceptance of the complete tender or any portion thereof will rest with the Inspector-General of Education in Mysore, who does not bind himself to accept the lowest or any other tender or assign any reason whatsoever for the rejection of any tender.

6. Within a week of the acceptance of the tender, the successful competitor will be required to execute a contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board of the Mechanical Engineering School, Bangalore. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of any one of the tenders, the earnest money on the rejected tenders will be returned.

9. The successful competitor shall guarantee to maintain sufficient stock of the materials enumerated in the list and comply with all the indents made on him within three days of receipt of order sent to him during the said period of agreement.

10. The rate tendered for each item, shall include the cost of delivery at the stores of the Mechanical Engineering School and shall be binding on the supplier for the above period.

11. Materials supplied, if found not up to the standard, in quality or specification, will be rejected and the supplier shall remove and replace the same with such materials as would satisfy the specification.

12. Clear specifications for the various items must accompany the tender.

13. Should the successful competitor fail to supply the required material or replace the rejected material in time, the same will be purchased elsewhere and the difference in cost between the tendered rate and that at which the material is purchased will be debited to his account by recovery from the bill or bills that are due to him and only the balance will be paid.

14. All the materials received will be weighed in the school and the weights thus arrived at should be accepted as final.
